Troubles of the Stomach, Heart or Kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the result of your allment, and not the cause. Weak Stomach nerves— the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their con-trolling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, billousness, bad breath or complexion, use Dr. Shoop's Re-storative. Write me today for sample and free Book. ## Practical Temperance

Pabst Blue Ribbon Beer is brewed as a temperance beverage —not as a stimulant.

As the consumption of beer increases, the sale of strong drink decreases. Beer is primarily a food, and its regular use satisfies the natural craving for a mild stimulant and prevents the desire for intoxicating liquors.

### Pabst BlueRibbon The Beer of Quality

is richer in food values and lower in the percentage of alcohol than any other beer. The Pabst Eight-Day Malting Process retains all of the food values of the barley, while the Pabst Perfect Brewing Process transmits them to the beer in their most wholesome and digestible form.

When ordering beer, ask for Pabst Blue Ribbon.

Made by Pabst at Milwaukee And Bottled only at the Brewery.

I have found a tried and tested cure for Rheninstism! Not a remedy that will straighten the
distorted limbs of chronic eripples, nor turn bony
growths back to flesh again. That is impossible.
But I can now surely kill the pains and pangs of
this deplorable disease.
In Germany—with a Chemist in the City of
Darmstadt—I found the last ingredient with
which Dr. Shoop's Rheumatic Remedy was made
a perfected, dependable prescription. Without
that last ingredient, I successfully treated many,
many cases of Rheumatism; buthow, at last, it uniformly cures all curable cases of this herotofore
much dreaded disease. Those sand-like granular
wastes, found in Rheumatic Blood, esem to dissolve
and pass away under the action of this remedy as
freely as does sugar when added to pure water.
And then, when dissolved, these poisonous wastes
freely pass from the system, and the cause of
Rheumatism is gone forever. There is now no
real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend
